

Remote Controls

Different models of Aquavision Televisions require different remote controls. Up until early 2019 your Aquavision would have been supplied with two remote controls.

These two remote controls would have been a Master and a Waterproof. Aquavision can supply replacements for the majority of televisions supplied. The new remotes may look different to the one you were originally supplied with, but the operation will be the same.

Master Remote Controls

AVWURC5E
Universal Remote Control

This remote has all the functions of a Master Remote Control but has the added advantage of being waterproof. It can be programmed to work with other products such as Sky etc. This is the current remote sent out with all the televisions

Suitable for: All Series 5 television models [Genesis, Nexus & Pinnacle] and almost all previous models including 15", 17", 23", 26", 40" and Series 4

Dimensions: 210mm x 55mm x 25mm

AVF-MRC5S
Silver Remote Control

A stylish, metallic Master Remote ideal for when Aquavision televisions are used in areas where waterproof remote controls are not needed.

Suitable for: All Series 5 television models [Genesis, Nexus & Pinnacle]

Dimensions: 170mm x 50mm x 10mm

AVF-ANDKEYBOARD
Android Remote Control

This remote comes additionally to the Universal Remote Control as standard on all Series 5 Pinnacle and Horizon televisions. It can be used as a pointer on the screen and also features a 'QWERTY' keyboard on the back for ease of searching online.

Suitable for: All Series 5 Pinnacle [including Horizon]

Dimensions: 175mm x 55mm x 20mm

Waterproof Remote Controls

These remotes are smaller than the Master Remote Controls and generally have fewer buttons. They are designed for day to day use with limited functions such as vol+/- or ch+/-.

AVWURC5
Universal Remote Control
