

# Why choose an Aquavision?

- Aquavision are the Originators of the waterproof, bathroom and in-wall television. Designing and building high performance televisions for harsh environments since 1997. This was well before any other brand came into being.
- Aquavision's products are verified by the "Made in GB Campaign", meaning all our products are designed and manufactured in our own premises in the UK.
- We offer the widest range of sizes, styles and features of any waterproof, bathroom or in-wall television manufacturer.
- We developed our own exclusive world leading technology in our Connec-TV Active range where the power, control and signal are all delivered through a single Cat6 cable. This is a world first!
- We guarantee to support all our products and offer upgrade solutions up to 15 years! We boast a "Fit and Forget" mantra, assuring complete peace of mind.
- All our LCD's provide full 178° x 178° viewing angles to give you the best viewing experience.
- All our panels are commercial grade panels so they are guaranteed to last up to 10 times longer than conventional television panels.
- In the UK, we offer a unique 2-year in-home warranty. The only guarantee of its kind in the industry. Our worldwide distributors work to ensure that we offer 'industry leading' guarantees in all other countries.
- We carry stocks of all parts for at least 5 years after a product has ceased production.
- Aquavision do not sell direct to the consumer, ensuring the brand and its products are sold correctly with the correct support.
- Aquavision are compatible with the world's leading home integration control systems as well and being the first specialist television to incorporate RS232 control.
- We are already the number one choice in many of the world's most popular hotels, countless independent boutique hotels and many the world's best Home Network and Custom Installation integrators.
