

Accessories

	<p>Remote Switch Panel</p> <p>The Remote Switch Panel offers a waterproof, wall-mounted solution for controlling the main television functions. It can be conveniently located adjacent to a bath, shower or basin. No need to replace any batteries and there is also no remote control to lose. Ideal for hotels and guest houses.</p> <p style="text-align: right;">AVF-5RSP</p>
	<p>Infrared Link</p> <p>This unit allows remote control of an external device such as a Blu-Ray player or set top box through the Aquavision's infrared input, with the signal being carried via the HDMI cable signal cable.</p> <p style="text-align: right;">AVF-IRHDMI</p>
	<p>Infrared Blaster</p> <p>Simply plug this into the front of your Aquavision and it will relay the Infrared signals to a DVD player, set top box or other control device situated up to 1.5m away.</p> <p style="text-align: right;">AVF-IRBLAST</p>
	<p>Relay Interface Module</p> <p>A handy little unit that provides two potential free (DPDT) contacts that are activated when the television is powered up. Ideal for switching external audio feeds, etc. or activating LED lights around the television or even a mirror.</p> <p style="text-align: right;">5RLYF</p>
	<p>Sky Remote Eye Kit</p> <p>This allows connection to a remote Sky Box. Content from Sky to be viewed on the Aquavision and the Sky Box to be controlled remotely. Note this feature is included with all UK supplied televisions except the Genesis range where it is an optional extra and the Connect TV / Connect TV Plus</p> <p style="text-align: right;">AVF-4SKYA</p>
	<p>Classic Glass Removal Tool</p> <p>An Absolute necessity for removing glass from Mark 1-3, Series 4 and CLASSIC range of products</p> <ul style="list-style-type: none"> ◆ Durable high impact nylon body ◆ Quick release handle ◆ Diameter - 115mm (4 1/2") <p style="text-align: right;">AVF-SCUP</p>
	<p>IR Transmitter and Receiver</p> <p>For use with our ConnectTV and ConnectTV Active products to relay the IR commands through the Aquavision TV.</p> <p style="text-align: right;">AVF-IRCON</p>
