

Horizon Accessory Enclosure

For your Horizon, we are aware that you may want to add accessories such as Sky mini boxes, Crestron and Control4 interfaces, Baluns etc.

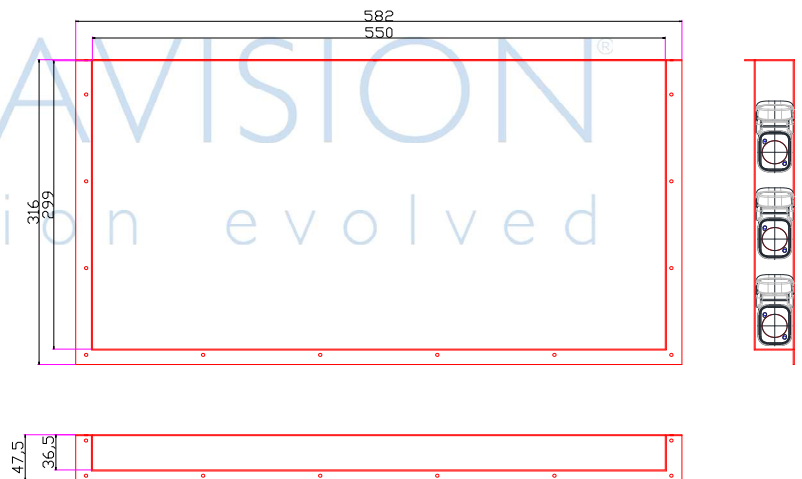

We can now offer a range of accessory enclosures for our latest Horizon models.

These are available in 2 sizes

For the 43" the enclosure covers the 3 central sockets, (HDMI, IP control, Ethernet), enabling internal access via the Accessory Enclosure. 3 IP66 rated sockets are then mounted on the side of the enclosure (Power, 2 x RJ45)

For the 55" and above, the enclosure covers the 5 central sockets, (HDMI, IP control, Ethernet, audio out, spare), enabling internal access via the Accessory Enclosure. 3 IP66 rated sockets are then mounted on the side of the enclosure (Power, 2 x RJ45)
